

KLAX

A Tic-Tac-Toe Tile Game

THE T.M. BUREAU

BLAD is a game easy to understand and difficult to master. The obvious is — lay your build groups of three in more than vertically, horizontally or diagonally. What about four in a row? How about five. You'll discover such rich and complicated patterns, and merge points. Plan your moves and you'll soon be the BLAD master!

WUOLAH

[illegible]

Gameplay is a mix of action and strategy, and the graphics are excellent.
